PRESIDENT'S ADDRESS

I remember in the summer as a child I could hardly wait to get back to school to spend time with my friends.

Now, the summer days with my friends pass by all too quickly.

Summer days spent at the horse show with people from various backgrounds, occupations, skills and ideas are very rewarding. Competition days of rain, snow, mud or glorious sunshine shared with fellow competitors who have a mutual interest in horses and sport.

The OHJA Awards evening is the time to congratulate our friends who have accomplished goals during their competitive season. Goals that may change when the young rider graduates from Short Stirrup days to Pony Hunter, Beginner Hunters progress to Children's Hunter, or a move from the hunter ring to the jumper ring.

But these friends made through this shared passion will always remain part of your lives, even as the seasons pass. And, no matter what, we will always have something to converse about ... our summers spent sharing and competing with our best friend, the horse.

HUNTER * JUMPER * EQUITATION

The Ontario Hunter Jumper Association would like to thank McKee-Pownall Equine Services for their continued sponsorship in 2011.

McKee Pownall Equine Services is proud to continue its support of scholarship awards to junior riders participating in the 1.0M and 1.10M divisions at Gold rated horse shows in Ontario. In order to be considered, junior riders must be a member of the OHJA. This is a Scholarship Award in the form of a GIC. This GIC will be put aside on behalf of the recipient. In order to receive the funds, the winner must use the money for post-secondary education. There will be \$2500 per division awarded. The highest point earner will receive \$1500 and the second place will receive \$1000. Thank you again to McKee Pownall Equine Services.
