

## **President's Address**

*Congratulations to all our Award winners tonight.*

*It takes a great deal of time and effort to excel in any sport and I think equestrian pursuits can be especially demanding because your "tools" are four legged and opinionated! Coaches consistently remind us that organization and preparation are ingredients of competing that the rider can control.*

*I have always managed to fit the horses, their riding and care into my schedule. Currently the horses are on a well deserved holiday however I am not, as new puppy care consumes a good portion of my day! This reminds me of the commitment required from those Juniors and Amateurs who are refining their riding skills while attending school and forging a career.*

*Preparation is key to any successes. I would like to remind you to renew your OHJA membership for 2014. The points accumulated to win Provincial Awards are tabulated for the horse, through its passported owner, from the date of completed membership. It is an important and simple step that is the rider's/owner's responsibility. The OHJA cannot track your points unless you are a member.*

*The Board of Directors and I would like to wish you all the best for the upcoming holiday season and look forward to seeing you 2014.*

*Thank you.*

**Deborah Weir**
